NOTICE

GGFT Operation Expansion

GGFT transit will expand regular service beginning Thursday, June 4th. COVID-19. Because the virus is still present in the area precautions are still necessary and fully remain in place to help limit its spread.

GGFT buses are cleaned and disinfected on a daily basis. Available seating capacity on buses has been reduced by approximately 50% to allow better distancing between passengers. GGFT has also temporarily suspended the collection of fares. To help further reduce the risk of transmission of COVID-19, all passengers are required to observe the following:

1. Transit service is being made available at this time for **essential travel only** (*trips to doctors, grocery stores, & essential employment*)
2. **Do not ride if you have a fever, cough, or do not otherwise feel well.** Maintain social distancing & avoid contact with other people who are sick.
3. All passengers are **REQUIRED** to wear a mask or similar face covering of their nose and mouth **at all times while on-board.** Passengers without one will not be allowed to ride GGFT.
4. Allow space between you and other passengers. Do not sit in seats marked off with rope or with yellow tape

See schedule notice for details about new schedule operation

ALL
PASSENGERS
are required to
wear masks /
face coverings
for their nose
and mouth
